The Chief Security Commissioner,

**Sub:- Mission Statement and Objectives of the RPF .**

Every result-oriented and progressive organisation must set up a well-defined goal before it so that all the members of the organisation are aware of the mission which they have to accomplish. Though duties of RPF have been spelt out at various places, we do not have clearly defined objectives. After careful consideration, we have devised a Mission Statement and Objectives, a copy of which is enclosed herewith along with the Hindi translation.

2. The Mission Statement is being printed in English and Hindi centrally by the Rly Board and adequate number of copies will be sent to each Rly shortly. It should also be got translated into the regional language of the State.

3. The Mission Statement in (English/Hindi and regional language) should be prominently-displayed at the entrance to all the RPF Posts/outposts, RPF assistance booths and offices of ASCs/DSCs/CSCs etc. It should also be displayed at all RPF establishments on platforms where it can be seen by the passengers. The men should be briefed about the Mission and Objectives they are required to achieve.
